Pedicure & Ingrown Nail Nippers

Heavy Duty Ingrown and Thick Nail Nipper Size 5.5

DS-04-302

Our Heavy Duty Moon shaped nail cutter is designed to cut of the thickest toenails. The moon shape is designed to cut along the shape of the nail. We have designed it with a perpendicular blade so it is easy for you to cut the nail yourself or if someone else cuts it for you.

Heavy Duty Ingrown Half Jaw Nail Nipper Size 5.5

DS-04-301

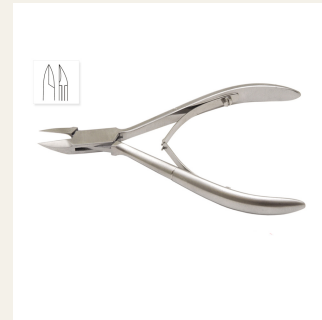

Our Heavy Duty nail cutter is designed to cut of the thickest toenails. The half head designed to cut along the shape of the nail. We have designed it with a perpendicular blade so it is easy for you to cut the nail yourself or if someone else cuts it for you.

Ingrown and Thick Nail Nipper Double Spring Size 5.5

DS-04-306

Ingrown Nail cutter features a gentle curve on the blade with a pointed edge. The sharp curved blades meet at tips of nails giving a detailed and smooth cut to the nail. The pointed edge allows the cutter to reach into the ingrown nail and cut with ease. This cutter comes with a safety lock which prevents accidental injury and allows the tool to be stored safely. Another feature is the non-slip grooved texture on the handles which allows a comfortable grip while the tool is in use.

Ingrown Nail Nipper Slim Jaw Double Spring Size 5

DS-04-307

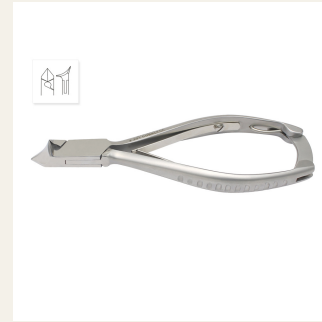

Ingrown Nail cutter features a straight blade with a pointed edge. The sharp straight blades meet at tips of nails giving a detailed and smooth cut to the nail. The pointed edge allows the cutter to reach into the ingrown nail and cut with ease. This cutter comes with a safety lock which prevents accidental injury and allows the tool to be stored safely. Another feature is the non-slip grooved texture on the handles which allows a comfortable grip while the tool is in use.

Ingrown Nail Nipper Standard Jaw Double Spring Size 5

DS-04-312

Size 5 Ultra fine Ingrown Nail cutter features a standard size straight blade with a pointed edge. The sharp straight blades meet at tips of nails giving a detailed and smooth cut to the nail. The pointed edge allows the cutter to reach into the ingrown nail and cut with ease. This cutter comes with double springs between handles to give perfect tension while the tool is in use.

Nail Nipper Double Spring Size 4.75

DS-04-303

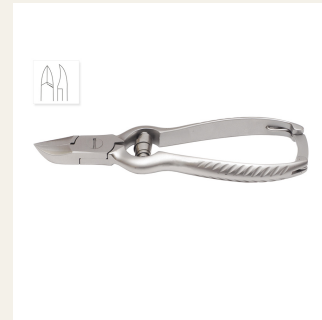

Our Heavy Duty Moon shaped nail cutter is designed to cut of the thickest toenails. The moon shape is designed to cut along the shape of the nail. We have designed it with a perpendicular blade so it is easy for you to cut the nail yourself or if someone else cuts it for you.

Toenail Nipper Concave Jaw Double Spring Size 6

DS-04-304

Our Heavy duty Nail cutter features a gentle curve on the blade. The sharp curved blades meet at tips of nails giving a detailed and smooth cut to the nail. This cutter comes with a safety lock which prevents accidental injury and allows the tool to be stored safely. Another feature is the non-slip grooved texture on the handles which allows a comfortable grip while the tool is in use.

Toenail Nipper Concave Jaw with Barrel Spring Size 4.75

DS-04-309

Size 4.5. Barrel Spring Nail cutter features a gentle curve on the blade. The sharp curved blades meet at tips of nails giving a detailed and smooth cut to the nail. This cutter comes with a safety lock which prevents accidental injury and allows the tool to be stored safely. Another feature is the non-slip grooved texture on the handles which allows a comfortable grip while the tool is in use. This Cutter comes with a Barrel Spring which allows perfect tension to the handles without any need for re-setting.

Toenail Nipper Concave Jaw with Barrel Spring Size 5.5

DS-04-308

Barrel Spring Nail cutter features a gentle curve on the blade. The sharp curved blades meet at tips of nails giving a detailed and smooth cut to the nail. This cutter comes with a safety lock which prevents accidental injury and allows the tool to be stored safely. Another feature is the non-slip grooved texture on the handles which allows a comfortable grip while the tool is in use. This Cutter comes with a Barrel Spring which allows perfect tension to the handles without any need for re-setting.

Toenail Nipper Concave Jaw with Wire Spring Size 4.75

DS-04-311

Wire Spring Nail cutter features a gentle curve on the blade giving a concave texture to the nail. The sharp curved blades meet at tips of nails giving a detailed and smooth cut to the nail. This cutter comes with a wire spring which allows the handles to have a perfect tension as the tool is being used. Another feature is the non-slip grooved texture on the handles which allows a comfortable grip while the tool is in use.

Toenail Nipper Curved Jaw Double Spring 5.5

DS-04-305

Ingrown Nail cutter features a gentle curve on the blade with a pointed edge. The sharp curved blades meet at tips of nails giving a detailed and smooth cut to the nail. The pointed edge allows the cutter to reach into the ingrown nail and cut with ease. This cutter comes with a safety lock which prevents accidental injury and allows the tool to be stored safely. Another feature is the non-slip grooved texture on the handles which allows a comfortable grip while the tool is in use.

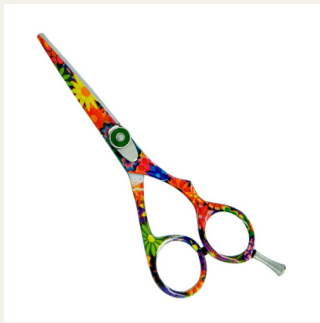

Toenail Nipper Straight Flat Jaw Double Spring Size 5.5

DS-04-310

Nail cutter features a flat straight blade with a pointed edge. The sharp flat blades meet at tips of nails giving a detailed and smooth cut to the nail. The pointed edge allows the cutter to reach into the ingrown nail and cut straight edges with ease. This cutter comes with a safety lock which prevents accidental injury and allows the tool to be stored safely. Another feature is the non-slip grooved texture on the handles which allows a comfortable grip while the tool is in use.

Tweezers

Must lubricate after sterilization and always keep distance from each other. After removing from sterilization solution make sure rinse as much you can and remove every single drop of chemical especially from joints & screw to avoid corrosion which helps products to be intact from damage. Try your best not to drop any instrument. For more information please read our Sterilizing Cleaning and Care instructions.
